

## Pork Sliders

### INGREDIENTS

4 lbs pork butt  
A pinch of salt and pepper  
1 tsp garlic powder  
1 tsp onion powder  
Sweet Baby Ray's BBQ sauce  
Hard rolls

### DIRECTIONS

Place the pork butt into the Crockpot and lightly salt and pepper it. Then add garlic powder and onion powder. Cover half way with water. Cook for 8 hours on low. Once cooked, shred pork and add barbecue sauce to the pork depending on preference. We like a lot! Place on bread and you've got yourself a slider!
